

SILVER LAKJES WEST a.k.a. Sheffield HOMEOWNERS ASSOCIATION  
HOMEOWNER PAINT APPLICATION

Property Owner Name: \_\_\_\_\_

Property Address: \_\_\_\_\_

Home telephone number: \_\_\_\_\_ Business/cell \_\_\_\_\_

**Important Information:** Selection of paint color (body, trim and accent) must be made only from the Homeowners Association Paint Palette combination of colors approved by the Homeowners Association Board on August 5, 2004. The color combinations to be selected are based on and keyed to the color of the roof shingles of the house. It is the sole responsibility of the homeowner to have the paint supplier match exactly the selected and approved colors. I understand this application becomes invalid six months after the approval date. Paint palette books are available for short term loan. When application is completed, it can be returned to Sentry Management, 2180 West SR 434, Longwood, FL 32779-5044, or to the Architectural Control Committee Chairman at the number listed on the Sheffield website found at [www.srg-web.com/sheffield](http://www.srg-web.com/sheffield) for approval prior to repainting.

1. Once you have made your selection from the color palette, enter the roof color of your house: \_\_\_\_\_
2. Based on the roof color, enter the palette number/ color name/ color code number of your choice for each of the following:

**House Body Color** applies to main stucco body of the house\* \_\_\_\_\_

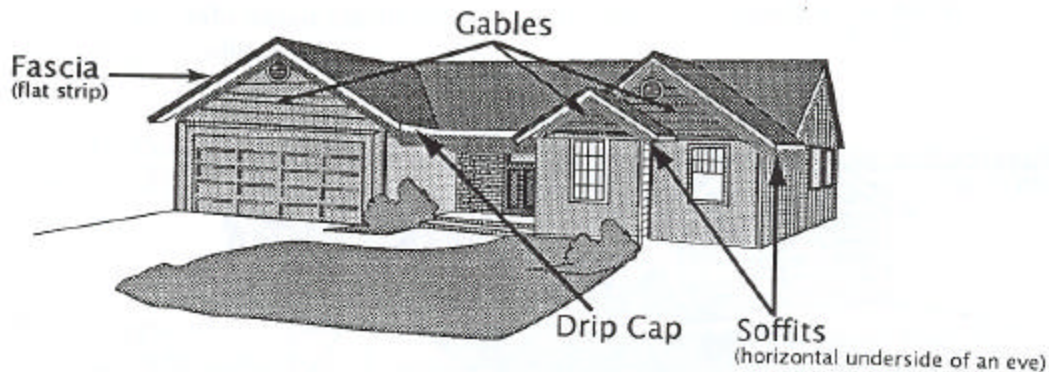

\*On some models in the neighborhood, the garage door was matched to the body of the house by the builder and may remain so.

**Trim Color** applies only to: stucco bands, fascia, soffits, gables, drip cap and garage door \_\_\_\_\_

**Accent Color** applies only to front entrance door and shutters. \_\_\_\_\_

Note: Accent colors do not apply to the garage door, gables drip caps, gutters or gutter downspouts.

Date: \_\_\_\_\_ Signature of Property Owner \_\_\_\_\_

For use of Architectural Control Committee
